

For the group's trip to **Huelva – France – Italy**, meetings were held inside and outside school hours, with participating students and assignments were distributed:

### Spain, Huelva

- Transfer to the water source adjacent to the school and measurements of salinity, PH, as well as water conductivity, with the instructions of the school chemist. (**photo Gallery 1**)
- Meetings, inside and outside school hours, for planning (script, shooting, editing, music, etc.) and the creation of a short film about climate change. Afternoon filming in the village of Metaxochori. (**short film: Reversible final**)
- Visit to the school of the scientists of the Museum of Natural History of Crete and holding an information session (points, videos, speeches) about the avifauna of Crete. (**article:** <https://www.candiadoc.gr/2022/04/01/to-lykeio-meleson-ypodechetai-to-moyse/>, <https://blogs.sch.gr/lykmeles/2022/12/23/quot-anthropos-kai-perivallon-quot-to-moyseio-fysikis-istorias-sto-gel-meleson/> **photo gallery 2**)
- Collaborative meetings and creation by the participating student groups of a presentation on the avifauna of Crete. (**ppoint AviFauna of Crete**)
- Research by the students on the energy habits of the families of the school area, and the annual carbon dioxide emissions. Statistical research on a sample of one hundred families in the area. Create a presentation of the results. (**ppoint CO2**)
- After the visit, an informative article in the local press and on our school's website, about our school's mobility. (<https://www.candiadoc.gr/2022/05/05/to-lykeio-meleson-stin-andaloysia/>, <https://www.cretalive.gr/kriti/stin-andaloysia-lykeio-meleson>)

### France, Montelimar

- Meetings inside and outside school, for investigating the Energy Policies of Greece and European Union
- Discussion and exploration of the bioclimatic Solutions for the production of Energy that have been constructed in the local area.
- After the visit in France, an informative article in the local and national press and on our school's website, about our school's mobility. ([https://www.alfavita.gr/ekpaideysi/365685\\_erasmus-lykeio-meleson-stin-gallia](https://www.alfavita.gr/ekpaideysi/365685_erasmus-lykeio-meleson-stin-gallia), <https://www.cretalive.gr/kriti/lykeio-meleson-taxidepse-sti-gallia-gia-erasmus>)

### Italy, Riposto

- Meetings, inside and outside school hours, for planning (script, shooting, editing, music, etc.) and the creation of a short film about climate change and solutions. (**short film: water film final**)
- Creation by the students of a questionnaire on the use of water in the school area and Statistical research on a sample of one hundred families in the area. Create a presentation of the results. (**ppoint Erasmus water survey**)
- After the visit, an informative article in the local and national press and on our school's website, about our school's mobility. (<https://www.ekriti.gr/kriti/lykeio-meleson-polytimes-empeiries-gia-toys-mathites-sti-sikelia-meso-toy-erasmus>, <https://www.cretalive.gr/kriti/lykeio-meleson-sti-sikelia-gia-erasmus>, [https://www.alfavita.gr/ekpaideysi/361929\\_tesseract-mathites-kai-dyo-kathigitries-toy-lykeioy-meleson-taxidepsan-stin](https://www.alfavita.gr/ekpaideysi/361929_tesseract-mathites-kai-dyo-kathigitries-toy-lykeioy-meleson-taxidepsan-stin))
- Press interview on a news show on a local channel in Crete. (<https://www.youtube.com/watch?v=Qgf8SUvGehQ>).

## Greece, Melesses

- Meetings, inside and outside school hours, for planning the creation and execution plan of a bioclimatic building model using sustainable energy resources, and a presentation.
- Meetings, inside the school hours for the construction of the building (**Photo gallery 3**)
- Meetings, inside and outside school hours for a ppt presentation of the building and saving techniques from the Minoan times until today on the island of Crete. (**ppt Bioclimatic architecture in Greece through the years**)
- After the visit, an informative article in the local and national press and on our school's website, about our school's hosting the countries. (<https://www.politica.gr/kriti/mathites-erasmus-filoxenise-to-lukeio-meleson/>, <https://www.candiadoc.gr/2023/05/04/filoxenia-programmatos-erasmus-tin-klim/>, )
