

RECEPTION AND VISIT OF THE GRANADA CATHEDRAL AND THE LYCEE SAN FERNANDO

Erasmus Granada 2026

VISIT TO SAN FERNANDO HIGH SCHOOL

We visited the San Fernando School in Granada, where we received a very warm welcome from the students and teachers. During the day they gave us a complete tour of the school. After that we had some free time to relax and talk, and get to know each other better.

THE GRANADA CATHEDRAL

We went to visit the Granada Cathedral, where we had a guide who gave us a full tour of the cathedral and explained everything in detail. The cathedral is an impressive Renaissance building, known for its majestic while facade, large columns, and beautifully decorated interior. It is one of the most important historical and architectural landmarks in the city.

THE END, THANKS
